May the year brings lot of happiness, good health and prosperity!*

Edit & Published by:
Central Council of Tibetan Medicine

1. GENERAL INSPECTION TO SOWA-RIGPA DEPT, CIBS, LADAKH

As of CCTM Legal Act and Regulation, Department of Sowa-Rippa, CIBS, Ladakh has been registered as a Standard Kachupa Medical Institution for the temporary 3 years from 2006. According the regulation, the registration has been renewed in the year 2009 for three years. The temporary registration of CIBS has been extended and permanently registered as Standard Kachupa Medical Institution in 2013. As of registration guidelines, an inspection team headed by Dr. Tenzin Deche Kartsang; Executive member of CCTM, Dr. Sonam Dickyi; resident doctor of Choklamsar and a member of Tibetan Settlement Office Ladakh, Ms. Thaye Chodon, has visited CIBS for general inspection on 8th July 2015.

The team submitted their report with the forms and other detail documents. The report states that there are 5 permanent teachers and total 41 Medical students in which 22 female and 18 male students is currently studying in 5 different batches. The course and curriculum of the Department is going as of CCTM guidelines and the facilities for the student like classroom, library, clinic and pharmacy is well equipped. The qualification and criteria of teaching staff was well administered. The Institution is planning to extend the college and open an OPD, Herbal garden for the students. This is the fifth inspection from CCTM to the CIBS. Taking this opportunity, Executive member Dr. Tenzin Deche has met the Director and Registrar of the institute and also met the medical student and gave a brief talk on Tibetan Medicine and its future scope in India

and worldwide.

2. CCTM 24th BOARD MEETING

The main agenda of the meeting was on the TPiE Committee Report and its resolution passed in the parliament session. CCTM 2013-2014 Audit Report and its clarification, appointment of new staff (Accountant) at CCTM Office. Year 2016 Major events and curricular, final drafting of Sorig Bumshi Syllabus, Appointment of advisory member for CCTM and review of CCTM Membership and FTM fees. Members had also discussed to further contact with the State and Central Government of India regarding further implementation on Sowa-Rigpa System under AYUSH Ministry. The 24th Board Meeting was held dated 28/29/30th September 2015 at CCTM Office, Dharamsala.

3. PERMANENT REGISTRATION TO KUNDEY KHANGSAR TIBETAN HERBAL PRODUCTS LTD.

Kundey Khangsar Tibetan Herbal Products Ltd. (KKTHP) has been granted temporary registration for the period of three years from 18th July 2012. This registration has been processed under the Rules and Regulations of Registration of Sowa-Rigpa, Tibetan Medical Pharmaceutical Company/Unit, established by Central Council of Tibetan Medicine, 2010. As of guidelines, Executive member of CCTM constitute a team of Inspection in which consist of one executive member of CCTM, a member from Dept. of Health, CTA and a member from the Tibetan Welfare office, Dharamsala. On 30th June 2015, the team had visited to the

pharmaceutical site and thoroughly inspected from the standard of raw materials to the final product of herbal medicine. The team has also enquired and checked the health and hygiene of all labor and other professionals involved, the overall environment in and outside pharmacy campus, the containers and utensil use for processing medicine and how the final product store up with all list and labels. The inspection team had submitted their report to the council and with the base of that report, executive member has resolved to extent permanent registration with the three year renewal from 19th July 2015 till 18th July 2018.

KKTHPL is now a registered pharmacy, holding registration number PR/U/01/2015, premises located at Sidhpur, Dharamsala, Kangra (H.P.) India. Under the direction of chief pharmacist Dr. Penpa Tsering la, there are currently ten working staff with total 110 Herbal Medicine producing from this pharmacy.

4. SIX DAYS CONTINUING MEDICAL EDUCATION ON SOWA-RIPGA

The 6 Days Continuing Medical Education (CME) on Sowa-Rigpa was held at Tibetan Medical & Astro. College Hall, Dharamsala from 26th – 31st October 2015. This program is fully funded by Ministry of AYUSH, Govt. of India under the AYUSH CME schemes. CCTM organized the 1st CME at Dharamsala in 2010, followed by two other programs, three days each at Delhi and Dharamsala in 2012.

On 26th October; the first day of the programme, CCTM held a short opening session in which CCTM invited Mr. Dranyi Tsegayal; the

Secretary of Dept. of Health, CTA as a special guest and Mr. Penpa Tsering, Hon. Speaker of Tibetan Parliament in Exile (TPiE) as a chief guest. The chairman of CCTM Dr. Ngwang Soepa has briefed the program and has also announced the amendment of TMCC Legal Act. and has also read the latest report and resolution of TPiE committee passed during the last TPiE session. The special guest Mr. Dranyi Tsegayal has inaugurated the new webpage (Tibetan Version) of CCTM and addressed the participant to make optimum utilization of the 6 days program. He strongly urged all the registered member of council to aware the Act and regulation of CCTM and also to participant in the future election of CCTM executive members. Before concluding the session, Chief Guest Mr. Penpa Tsering addressed and explained the recent constitution of TPiE special committee on CCTM, their reports, discussion and the final resolution passed during the session. He also applauded the council's strategic achievement in attaining the recognition of Sowa-Rigpa; Tibetan Medical system by the Govt. of India and urged the CCTM member to focus on strategic planning to amplify the impacts of such program in future. In the end of the program, Dr. Thokmay la, Vice Chairman of council thanks all the expert for accepting our proposal and giving their time and knowledge for the young practitioners. He also thank all the members of TPiE and the Dept. of Health for their continuous grant and support towards CCTM. The opening session concludes with the much lauded prayers.

The actual program began with the first session on the Tibetan Medical Literature - Critical

Research analysis on rGyud-bZhi; the four Tibetan Medical Tantras, followed by the other important topics like - Recent Evolution of Asian Medicine and Tibetan Medicine, Integrative approaches for Health and Medicine, Indigenous Tibetan Medicinal Plants and the list of endangered species, Mind and Consciousness, Diagnosis techniques in Soma-Raza Tibetan Medical Text, Anatomy in Gwo-nGel-Jug Text, Management of Pancreatitis, Major Health issues in Tibetan communities and Doctor's role, The theory and practice of gTar & sRek, The policy and future prospectus of Tibetan Medicine, The theory and practice of Vomiting/Emesis, Anti-ageing theory and exercises, Processing and Application of Tibetan Medicinal plants, Significant Pharmaceutical factors in Tibetan Medicine, Medical Ethics and Legal issues. On the last of day of CME, CCTM invited the Director of Men-Tsee-Khang, Mr. Tsering Tashi Phuri as a chief guest and has distributed the certificate to the speakers and participants. As of AYUSH CME guidelines, total 25 Tibetan Medical practitioners from different states of India has participated and upgraded their profession by learning, sharing and discussing their ideas and knowledge. CCTM thanks all the experts and participants and special thanks to TMAI for renting the hall and facilities given for this program.

5. NEWS IN BRIEF

Opening of new webpage in Tibetan Version
 CCTM during the opening session CME program dated 26th October 2015, has launched a new official web page in Tibetan version. Mr. Dranyi Tsegalyal la; the Secretary

of Dept. of Health, CTA has inaugurated the page <http://tibmedcouncil.org/bo/CCTM> thanks Dr. Tenzin Deche Kartsang, for his generous financial support for the development of this new webpage.

Obituary

On behalf of all the Tibetan Medical Practitioner, we the executive member of CCTM deeply condoles the demise of Dr. Pema Dorjee la (Reg. No. - CCTM/ QMP / 3001/2006) who passed away on 8th September 2015. Dr. Pema Dorjee was one of the senior-most and distinguished physicians in exile and has served the first Chairman of Central Council of Tibetan Medicine (CCTM) from January 2004 till January 2007. We deeply regrets of losing him and here to pay our sympathy to his family and the relatives. Our prayers always with his soul.

Appointment of New Executive Member

Under the Section 6(1) D of TMCC Act. 2003, Dr. Tenzin Tsodonu, Medical officer at Delek Hospital has been appointed as an executive member of Central Council of Tibetan Medicine (CCTM) w.e.f. 22nd October 2015. Dr. Tsodonu did his schooling from Upper Tibetan Children's Village. He got an opportunity to do his M.B.B.S course from Shree Siddhartha Medical College, Tumkur under Rajiv Gandhi University of Health Sciences (RGUHS), Bangalore, Karnataka and internship from St Martha's Hospital, Bangalore. Currently Dr. Tsodonu is working as a medical officer at Delek Hospital, since 2013.

Appointment of Advisory Members

As of resolution of council's last board

meeting, Ven. Acharya Yeshe Phunstok and Dr. R.K. Sharma has been appointed as an Advisory Member of CCTM for the period of two years. Ven. Acharya Yeshe Phuntsok is currently a member of Tibetan Parliament in Exile and also a board member of Central University of Tibetan Studies, Sarnath, Varanasi. Prof (Dr) R.K. Sharma is a Medico-Legal consultant and is currently a President of Indian Association of Medico-Legal Experts, New Delhi.

Official Meeting and Visit

TPiE Special Committee Members along with the CCTM executive member has officially met the Minister, Secretary and Joint secretary of Ministry of AYUSH in August 2015. The members have also met with the President of CCIM and has introduced the CCTM, its role and its curriculum on Sowa-Rigpa followed the same meeting with State AYUSH officials and District Ayurved Officer.

Health Talk

CCTM Regional coordinator Dr. Tenzin Woeser has given an introductory Talk on Tibetan Medicine to the senior students of S.O.S. Tibetan Children's Village, Bylakuppe. He also talked about the importance of diet and behavior for keeping good health in general.
