Brief Bio-Data	<p>I belong to middle class family. I have finished schooling from S.F.F School i.e. + 2 run Tibetan Army Dehradun. After that I joined the T.M.A.I college branch T.M.A.I at Leh Ladakh and finished Amchi course leh C.I.B.S.E. exam from T.M.A.I Dharamsala. One year internship from Dalhousie. Now I run small clinic at Leh. I have finished my Kachupa Degree from Men-Tsee-Khang year 2003. It is my second year experience in my own clinic. I get good response from Patients who treated by me all are good and better condition. During my first year experience I treated one patient name Dawa Age (Tibetan) from own market Leh Ladakh came to see. I started treatment he got lung diseases i.e. chronic before shown to different doctors. Amchi too but he don't any improvement I started my treatment 29/1/04 to 16/11/05 i.e. total 190 days has problem is some related lung lo thung po and lung thopo. i.e. always coughing (continuous cough) thickly sputum. So by seeing pluse and urine. I change medicine and food habited behavior. So I will attest copy of medicine which I have prescribed to him. At last he is fully recovered from his disease he is enjoy his life whenever we treat the patients at that movt rules and thinking attitude which told in our text very beneficial for me. At last precious valuable science of healing Tibetan will known by whole world and make best used of it. And the same time attitude of our people must improve day by day by listening his holing advice. Working sincerely and good heart to whole patients.</p>
