Brief Bio-Data	I was born in year 1990 in Amdo, Tibet. I did my schooling from Tibet and also from Tibetan Children Village, Suja, Himachal Pradesh, India. In year 2012, as per my ambition and parent's hope, I have decided to learn Tibetan science of healing and Astro. which not only fulfilled my dreams but will be able to help the poor. I got admission in Men-Tsee-Khang College and studied Sowa-Rigpa for five years and one year internship. Graduated Menpa Kachupa in March 2019 and currently serving for Men-Tsee-Khang as a resident doctor at Mundgod, Karnataka State.
